A SEVERE BLOW.

A Couple of Good Citizens Have a Difficulty.

Sunday Gus Summerville, of this place, and Mr. Alx. Woody, of Stone, had a personal encounter, and the result of the affair was a serious blow Summerville gave Woody on the head with a piece of fence rail. The trouble arose, as reported to us, as follows: Summerville had purchased some land from Woody, including a field of corn; complete possession was to be given to the purchaser when the corn was gathered. After the crop was gathered Woody asked the privilege of putting some stock in the field; it was granted. Sunday Summerville having concluded that Woody intended to put the stock in when Summerville told him not to do it. Hot words ensued, and Summerville told Woody that if he opened the gate it would be at his peril. Woody persisted and was struck on the forehead; the blow fell him to the ground, and for several hours he was unconscious. Both are good and prominent citizens.

Summerville is under a \$500 bond to answer at court for the result of the lick.

Thanks.

To the people of Marion, Ky., who showed such high regard for my dear son, Elzie, and who showed so much kindness of feeling for him by tendering every possible service to him during his recent illness, we wish to return the sincerest thanks of our heart. We cannot express the tenderness of feeling we have for the "band boys" for the love and respect which they showed him, and though the "band" is broken now, we hope the reunion will be in heaven.

For the kind and brotherly way in which the members of the medical profession tendered their services and wrought in his behalf to the very last, one even doing an after service, for these, language is too short, as is a failure to convey the feeling of our heart. We can only say in the language of the poet: They rallied quickly to relieve me, And in my heart they'll live forever.

Respectfully, Dec. 14, 91. A. J. DONAKEY.

Card of Thanks.

I wish to return my sincere and heartfelt thanks to the many kind friends and neighbors, who so willingly and faithfully rendered my dear and beloved husband all the aid and relief in their power in his last illness. Also to the members of the Grand Army, who so kindly cared for him and so tenderly bore him to his last resting place. All of whom shall ever be held in grateful remembrance by me and my family.

Mrs. T. J. Cameron.

DEATH.

Prominent Citizens Bereaved With the Still Majority.

Mr. T. J. Cameron died at his home in this place Friday night, after suffering severely but patiently for many months. Surrounded by friends and loved ones he passed peacefully away. All that the best medical talent could do for him was done, but the inevitable was apparent for several weeks before it came. Sunday the remains were placed to rest in the cemetery beside his little boy, who died several years ago. Crittenden Post of the G. A. R. had charge of the funeral, and it was the most largely attended of any in the history of the town. After short services at the residence, the sixty members of the Post in attendance, marched out the gate, with the band, carrying the flag partly furled and draped in mourning; next came the hearse surrounded by the guards of honor and pall bearers. Then the family and hundreds of friends. At the grave the beautiful and touching ritualistic ceremonies of the organization were impressively used. First was prayer by the Chaplain, a song by the choir, address by Post Commander J. M. Walker, then upon the coffin was placed a wreath of evergreens, emblem of undying love, a rose as an emblem of purity, and the laurel leaf to symbolize victory. After the coffin was placed in the grave the salute was fired and the bugler stepped to the foot of the grave and sounded taps. Since 1867 Mr. Cameron had been an active, successful and popular merchant of Marion. He was widely known as an enterprising, useful citizen, and his death is deeply regretted by the hundreds of friends, all of whom deeply sympathize with the bereaved loved ones.

Mr. Chapel Nunn, familiarly known as Uncle "Chap," died at his home in the northern part of the county Friday night, of pneumonia. He was one of the old land marks of the county, and was one of the best and oldest families of this section. He was an honest and upright citizen.

Judge James K. Hoghey died at his home in Smithland Sunday. He was widely and favorably known in this section of the state; and many friends will regret to hear of his death.

The mercantile business of the late T. J. Cameron will be continued at the old stand. A full line of goods will be kept, and the patronage of his old friends and customers and the public generally will be greatly appreciated.
